Education is Freedom Recognizes Dallas ISD Student Athletes

On February 16th, Dallas ISD recognized the city's brightest athletes who signed national letters of intent with colleges or universities. The ceremony, held at Ellis David Field, honored the athletes and their parents for making great strides towards attending college and earning athletic scholarships.

Franklin Shannon, a Skyline EIF student, celebrates signing with the University of Oklahoma during the ceremony.

Of the 110 DISD students who received athletic scholarships, 45 are currently enrolled in Education is Freedom on their campus. Education is Freedom would like to congratulate the following EIF student athletes for their athletic and academic achievement:

EIF Celebrates Academic Achievement Across All Campuses

Each spring, EIF high schools celebrate students' academic achievements throughout the school year. Students on the "A" and "B" honor roll are invited to an hour of fun, music, and entertainment as a reward for their academic performance. Showing true school spirit, student organizations and activity clubs show off their talents by dancing, singing, or cheering.

An "A" honor role student grabs money during an EIF Academic Celebration

EIF also gives students the opportunity to win prizes such as iPods, cameras, gift cards, and passes to theme parks or to the movies. Every student is entered for a chance to grab some cash in our infamous "money machine". The students thoroughly enjoy the festivities; however, the main focus is to reward and recognize students who excel in the academic arena.
